CLLR. ROBERT BENHAM

We are writing to extend our sincere gratitude to everyone in **Rush Green and Crowlands Ward** who put their faith in and voted for us at the recent Local Elections on Thursday 5th May. **Councillor Robert Benham, Councillor Viddy Persaud and Councillor Tim Ryan** were delighted to have been re-elected with a majority of nearly 200 over the next nearest candidate. Overall, the Conservatives polled the highest number of votes in the ward, easily beating the opposition! We won 20 out of 23 seats in Romford.

It is an honour and privilege to represent and serve this part of **Romford, Rush Green and Crowlands** around Crow Lane, Cottons Park, London Road, Mawney Road and Rush Green Road. We will continue to fight to *Keep Havering a Town and Country Borough*, speaking up in the Town Hall for good local public services, clean streets, heritage preservation, pride in our town centres, parks and open spaces. We pledge to do what is best for local people and the community, always working hard for you **all year round!**

## ...looking after Rush Green, Crowlands and Lower Mawneys!

## BRIDPORT AVENUE OPEN SPACE

Viddy, Tim and Robert have been lobbying Havering Council to make improvements to Bridport Avenue Open Space. We are pleased to report that following our efforts, all existing paths will be widened; new paths will be cut; woodland will be thinned and signage will be installed. Please get in contact with **Viddy, Tim and Robert** if they can help you with any other local issue!

## PLANNING APPLICATION!

A planning application was received to build more flats in our local area! This planning application is for several flats to be built where the Tony Levoi dealership is situated currently. We have officially objected to this application on the grounds of over development, overlooking residents' gardens and blocking lights. **Cllr. Viddy Persaud** will speak against this application should the officers recommend approval. The official title of the application is 'Planning application no **P0705.22**' if you would like any more information on the application.

## OVERGROWN TREES ON PRETORIA ROAD & EASTERN AVENUE

**Tim** has been communicating with officers to maintain the trees in Pretoria Road. This piece of land has not been maintained for years, resulting in littering and overgrown weeds. The Council has started cutting back the grass; however, there is more to be done. We will continue to fight for our residents until this is completed.

## PLATINUM JUBILEE IN RUSH GREEN!

What a joyous weekend it was! **Councillors Viddy Persaud, Robert Benham and Tim Ryan** were pleased to join the celebrations for Her Majesty Queen Elizabeth II. They attended the Lighting of the Beacon in Havering-atte-Bower and joined in a number of Street Parties with local residents. **Viddy, Robert and Tim** said: "Thank-you to the residents of Rush Green and Crowlands who welcomed us to their Street Parties.

**God Save the Queen!"**

## News Round-Up!

### JUTSUMS LANE TRAFFIC

Residents have continued to raise concerns regarding the speeding traffic and parking issues in Jutsums Lane. We have written to the Council's Highways Department, who will be contacting local residents seeking their views on traffic calming measures and highway matters.

### FOOTPATH 151

Residents have complained that Footpath 151 running from Rush Green Road to Meadow Road was not cleared this year and was unusable. After Councillors **Viddy Persaud, Robert Benham and Tim Ryan** contacted officers several times on local residents' behalf, they have finally cleared the footpath.

**Please let us know if there are any areas which need the Council's attention and we will voice your concerns.**

## QUEENS HOSPITAL

Residents have been asking for years about the lack of lighting on the footpath on the grounds of the hospital. We have been in constant contact with the hospital management and we are pleased that, in the interest of safety of staff and residents, they have agreed to fund some additional lighting. Planning permission was granted and we are now eagerly waiting for the date when work will begin to install the lights.
