## Celebrating our great English County of **ESSEX**

On 26th October 2021, Havering is proud to be celebrating **Essex Day** to mark our historic place within this great English County. The Essex flag will fly from our Town Hall and **Andrew Rosindell M.P., Cllr. Viddy Persaud, Cllr. Robert Benham** and **Cllr. Tim Ryan** will be marking the occasion with the raising of the Essex flag on a new pole at Margaret Thatcher House. Romford has always been a part of Essex and when Havering became a "London Borough" in 1965, this did not change our geographical or historical place as an Essex town.

**Happy Essex Day  
ROMFORD!**

Cllr. Tim Ryan, Cllr. Viddy Persaud, Andrew Rosindell M.P., and Cllr. Robert Benham - taking pride in our town and country borough in the Historic English County of Essex!

## NEW POST OFFICES FOR ROMFORD and one local Post Office Saved!

Your **Rush Green & Crowlands Conservative Action Team** have campaigned for many years to defend our local Post Office services across Romford and now we have good news!

Two new Post Offices have opened in our area, in Main Road, Gidea Park and in Hornchurch Road. These were closed when Labour were last in power, despite our objections. Now they are back serving our community! This fantastic news comes soon after our recent success in saving **Rush Green Post Office**, following the campaign led by **Cllr. Viddy Persaud, Cllr. Robert Benham, Cllr. Tim Ryan** and **Andrew Rosindell M.P.** Your councillors and M.P. are always backing our local community and will continue to fight to defend and extend our local Post Offices.

Your councillors and M.P. are always backing our local community and will continue to fight to defend and extend our local Post Offices.

## Cleaner Streets in Rush Green & Crowlands

An "Autumn Blitz" to make our local roads cleaner has been launched by Havering Council. **Viddy, Robert** and **Tim** are spearheading the campaign to clear litter and rubbish, remove weeds, graffiti and jet wash our pavements across Rush Green and Crowlands. Let your Councillors know if there is anything in your road that is in need of particular attention and they will ensure action is taken!

## ...looking after Romford, Rush Green & Crowlands!

## DEEP CLEAN FOR ROMFORD

Fly-tipping and litter have increased over the past year, mainly due to lockdown and the increased waste being generated. As a result, of **Cllr. Robert Benham, Cllr. Viddy Persaud and Cllr. Tim Ryan's** campaign, Havering Council will be investing in enhanced street cleaning methods, to deep clean our roads and help combat this problem. Council teams are out on daily patrols responding to resident requests. **Contact Cllr. Robert Benham if your road requires attention.**

## ALLOTMENT OPEN DAY

Your Rush Green & Crowlands councillors attended the "Open Day" at the Romford Smallholders & Allotments Society, off Pretoria Road recently, to help promote growing your own fruit and veg, along with the positives allotments and open spaces have on mental wellbeing and community spirit. The open day was very well attended by local residents.

## LOVE FOOD, HATE WASTE

Your local councillors recently visited an event held at the YMCA Romford in Rush Green, to teach people how to cook homemade meals and utilise fruit and veg to minimise wastage. In Havering, around half of residential household waste, is food waste, which is sent to landfill or incineration. So education is needed to reduce this level, which will save residents money and help the environment too.

## 9/11 MEMORIAL SERVICE IN ROMFORD

The Mayor of Havering, along with **Andrew Rosindell M.P.**, the Vicar of Romford, **Fr. David Simpson, Cllr. Robert Benham** and **Cllr. Tim Ryan** attended a special memorial service to commemorate the 20th Anniversary of the 9/11 terrorist attacks. Our M.P. laid a bouquet of red, white and blue flowers at this dedication, as a symbol of the ties between the United Kingdom and the United States.

# News Round-Up!

### CROW LANE

Residents in the middle section of Crow Lane should have received a letter and questionnaire from the Council regarding pedestrian crossings and no waiting/loading zones to help combat some of the parking and road safety issues that are occurring, particularly with HGV vehicles. Your councillors asked for this to gauge local opinion, so please respond.

### RUSH GREEN ROAD

Last month, local residents alerted us to an unlawful vehicle spares and repairs yard, operating from a residential address in Rush Green Road, which was causing noise and nuisance. Since our intervention, Havering's Planning Enforcement Teams have issued the operators with a Temporary Stop Notice (TSN), and a Planning Contravention Notice (PCN).

### GALLOWS CORNER

Sadiq Khan said that he would make Gallows Corner a priority. However over 6 years on, residents of Romford are still waiting for the investment to improve one of London's most dangerous junctions. Instead tacking the problem seriously, TfL have reduced the speed limit and added speed cameras, as a cheap fix! Anyone traveling during rush hour will know that these measures have done diddly squat to make this junction safer.

**Labour simply don't care about Havering!**
