Celebrating our great English County of **ESSEX**

On 26th October 2021, Havering is proud to be celebrating **Essex Day** to mark our historic place within this great English County. The Essex flag will fly from our Town Hall and **Andrew Rosindell M.P.**, **Cllr. Michael White**, **Cllr. Damian White** and **Keith Prince A.M.** will be marking the occasion with the raising of the Essex flag on a new pole at Margaret Thatcher House. Romford has always been a part of Essex and when Havering became a "London Borough" in 1965, this did not change our geographical or historical place as an Essex town.

**Happy Essex Day
ROMFORD!**

Cllr. Damian White, Andrew Rosindell M.P., Keith Prince A.M. and Cllr. Michael White - taking pride in our town and country borough in the Historic English County of Essex!

NEW POST OFFICES FOR ROMFORD and one local Post Office Saved!

Your **Gidea Park & Ardleigh Conservative Action Team** have campaigned for many years to defend our local

Post Office services across Romford and now we have good news! Two new Post Offices have opened in our area, in Main Road, Gidea Park and in Hornchurch Road. These were closed when Labour were last in power, despite our objections. Now they are back serving our community! This

fantastic news comes soon after our recent success in saving **Rush Green Post Office**, following the campaign led by your Councillors and **Andrew Rosindell M.P.** We are always backing our local community and will continue to fight to defend and extend our local Post Offices

Cleaner Streets in Gidea Park & Ardleigh Green

An "Autumn Blitz" to make our local roads cleaner has been launched by Havering Council. **Michael, Damian** and **Keith** are spearheading the campaign to clear litter and rubbish, remove weeds, graffiti and jet wash our pavements across the Squirrels Heath Ward. Let your Councillors know if there is anything in your road that is in need of particular attention and they will ensure action is taken!

Keep Havering a Town and Country Borough!

REMEMBERING 9/11

The Mayor, along with **Andrew Rosindell M.P.**, our London Assembly Member, **Keith Prince A.M.** and **Cllr. Damian White** attended a special memorial service to commemorate the 20th Anniversary of the 9/11 terrorist attacks in New York and Philadelphia. Our M.P. laid a bouquet of red, white and blue flowers at this dedication, as a symbol of the ties between the United Kingdom and the United States.

News Round-Up!

STAFFORD AVENUE

Cllr. Michael White, who is leading the fight against the planning application from 'Screwfix' located on the Stafford Avenue Industrial Estate to extend their hours of operation, has presented a petition of 60 signatures he has collected from local residents opposing this proposal to the Deputy Mayor of Havering, **Cllr. Christine Vickery**. Michael is determined to stop this planning application because of the detrimental effects it would cause on local residents.

LOCAL DEFIBRILLATORS

Defibrillators can help save lives in the case of a cardiac emergency. Some local businesses and publicly accessible locations have defibrillators. However, these may not be registered. In order to help people to find them when they are needed, if you have a defibrillator, we urge you to register it on the National Defibrillators database – nddb.uk

DEEP CLEAN FOR ROMFORD

Fly-tipping and street litter have increased over the past year. As a result of **Cllr. Damian White**, **Cllr. Michael White** and **Keith Prince's** campaign, Havering Council will be investing in enhanced street cleaning methods, to deep clean our roads and help combat this growing problem. Council teams are out on daily patrols responding to resident requests. **Contact Cllr. Michael White if your road requires attention.**

NEW SHOPS FOR GIDEA PARK!

Cllr. Michael White has welcomed the opening of a new Co-Op in Main Road to serve the residents of Gidea Park. It will soon be joined by the Brick Lane Bagel Co. who are due to open a branch on the same road!

VIRTUAL PARKING PERMITS

Havering Council has implemented a new, virtual system of parking permitting across the borough. From 8th September, residents completing online applications will no longer be sent paper permits in the post and virtual permits will be active from the moment they are paid for. All paper permits will be phased out by the end of Spring 2022.

GALLOWS CORNER

Sadiq Khan said that he would make Gallows Corner a priority. However, **over 6 years on**, residents of Romford are still waiting for the investment to improve one of London's most dangerous junctions. So far, TfL have reduced the speed limit and added speed cameras as a cheap fix! Anyone travelling during rush hour will know that these measures have done diddly-squat to make this junction safer.

Labour simply don't care about Havering!

ROMFORD GHOST WALK: OCTOBER 26TH

Havering Museum have organised a 'Ghost Walk' around Romford on Tuesday 26th October, from 7.00 p.m. to 9.00 p.m. Book online at www.haveringmuseum.org.uk
