...here to help you and fight
for our local community in
Hornchurch!

Looking after our local Parks and Open Spaces!

When Havering Council was under Conservative management, we made sure our local parks and open spaces were looked after and given top priority. We believe it is vital to maintain our parks and protect our green open spaces, to **KEEP HAVERING A TOWN AND COUNTRY BOROUGH** and to provide a safe environment with good facilities. Your local **Hylands & Harrow Lodge (Hornchurch) Conservative Action Team, Ayo Oladele, Maggie Themistocli and Henry Williams** recognise how important our parks are to local people and are working to help maintain them to a high standard all year

round, especially for **Harrow Lodge Park, Hylands Park** and **Cottons Park**. Sadly, Labour and Havering Residents Association have allowed our parks to be neglected, just as Labour did when they were last in power in the Town Hall, when all our parks were left in a shameful state! **Ayo, Maggie and Henry will always fight to look after our cherished local parks in Hornchurch.**

Keep Havering a Town and Country Borough!

....looking after Hornchurch all year round!

Hornchurch High!
Ayo, Maggie and Henry alongside **Andrew Roisndell M.P.** would like to say well done to the staff and students of Hornchurch High School on their recent Ofsted Report. The school had a very positive report and under new leadership the school has gone from strength to strength.

Globe Road – Attention!

A recent incident on Globe Road, where a young pupil was injured near the crossing, has brought renewed focus on road safety. The narrow layout and high traffic volumes, particularly during school drop-off and pick-up, make the area especially dangerous. Residents have long voiced concerns about speeding and poor enforcement. In response, your local Conservative Action Team is taking swift action. We intend to visit Hylands Primary and meet residents to agree the best course of action to protect children and pedestrians. While some measures such as speed humps and a 20-m.p.h.

zone exist, more must be done. We are pushing for clearer signage, enhanced enforcement, and assessing the need for speed cameras. This is a community-led issue, and your feedback is vital. We're committed to fast, practical improvements to ensure everyone's safety.

Speeding Review – Harrow Drive

Hylands SNT carried out a speed operation on Harrow Drive, targeting the bend notorious for fast drivers. Over 100 vehicles were scanned —none exceeded the limit, but the visible police presence likely deterred speeding. Other hotspot roads will be reviewed soon.

Lyndhurst Drive Takeaway – Planning Refused

A proposal to convert 210 Lyndhurst Drive into a hot food takeaway was refused due to concerns over increased traffic and noise. The applicant's subsequent appeal was dismissed. The council remains committed to preserving the residential character of the area and ensuring developments align with community interests.

Hylands & Harrow Lodge News Round-Up!

Tyres Fly-Tipped!

Tyres dumped on the access road next to Chestnut Avenue have been reported to Havering Council. A site clearance has been arranged. Please continue to report fly-tipping to keep our Hornchurch clean.

St. Leonard's Hamlet Tidy Up!

While out meeting residents, the Local Action Team, **Ayo, Maggie** and **Henry**, discovered hidden litter hotspots in St. Leonard's Hamlet. We have since arranged for these areas to be cleared.

Harrow Lodge Leisure Centre Visit

Ayo, Maggie and **Henry** along with **Andrew Rosindell M.P.** visited Harrow Lodge Leisure Centre. We will continue to promote this valued facility, which plays a vital role in community health and wellbeing.
